IDA Educational License Agreement

The educational version of IDA can be used to teach students during program analysis and/or reverse engineering courses. It can be used by universities and other academic institutions that publicly enroll students on a regular basis. Military institutions do not qualify for educational license.

The educational version of IDA may not, under any circumstances, be used in a commercial project or environment.

The educational version of IDA, hereafter described as "the software" is licensed, not sold, to you by Hex-Rays SA pursuant to the terms and conditions of this Agreement. Hex-Rays SA reserves any right not expressly granted to you. You own the media on which the software is delivered but Hex-Rays SA retains ownership of all copies of the software itself. The software is protected by copyright law.

The software is licensed on a "per computer" basis. Each copy of the software can only be installed and used on one computer at a time.

You may make as many copies of the installation media as you need for backup or installation purposes.

Restrictions

You may not distribute copies of the software to another party or electronically transfer the software from one computer to another if one computer belongs to another party.

You may not modify, adapt, translate, rent, lease, resell, distribute, or create derivative works based upon the software or any part thereof.

Limited Warranty and Disclaimers

The software is provided "as is" without warranty of any kind. Hex-Rays SA expressly disclaims all implied warranties, included but not limited to the implied warranties of merchantability and fitness for a particular purpose. Hex-Rays SA does not guarantee the software or any accompanying materials in terms of their correctness, accuracy, reliability, or otherwise. The entire risk as to the results and performance of the software and written materials is assumed by you.

Complete Statement of Warranty

The limited warranty provided in preceding paragraphs are the only warranties of any kind made by Hex-Rays SA on this product. No oral or written information or advice given by Hex-Rays SA, its dealers, distributors, agents or employees shall create a warranty or in any way increase the scope of this warranty, and you may not rely on any such information or advice. This warranty gives you specific legal rights. You may have other rights, which vary from country to country.

Limitation of Liability

In no event will Hex-Rays SA or its employees be liable to you for any consequential, incidental, or indirect damages arising out of the use or the inability to use the software or accompanying

written material. This includes damages for loss of business profits, business interruption and loss of business information. The liability of Hex-Rays SA for actual damages for any cause whatsoever is limited to the money paid for the software that caused the damages.

Termination

This license is effective until terminated. It will terminate immediately without notice if you fail to comply with any of its provisions. Upon termination you must destroy the software and all copies thereof. You may terminate this license at any time by destroying the software and all copies thereof.

Disputes

Disputes related to this agreement will be dealt with in the district court of Liège, Belgium.
